Andrew,

My colleague has confirmed that the landscape report has been sent to the Inspector, but we are just waiting for a colleague to put it on our website. We will chase this.

Regards,

Moira

Thanks Moira, and for your time earlier on the telephone.

I would be grateful to hear back from you on the other points that we discussed:

- If there are any more detailed transport comments from WSCC?
- The status of the Fabrik landscape report; and
- The change in status of the SHLAA for the Mill Hill site.

Kind Regards,
