

There are no adverse EH comments for this application. I would recommend the following conditions be attached to any permission given.

No development shall take place until a Construction Management Plan has been submitted to and approved in writing by the Local Planning Authority. Thereafter the approved Plan shall be implemented and adhered to throughout the entire construction period. The Plan shall provide details as appropriate but not necessarily be restricted to the following matters:-

- the anticipated number, frequency and types of vehicles used during construction
 - HGV construction traffic routings shall be designed to minimise journey distance through the AQMA's.
- the method of access and routing of vehicles during construction,
- the parking of vehicles by site operatives and visitors,
- the loading and unloading of plant, materials and waste,
- the storage of plant and materials used in construction of the development,
- the erection and maintenance of security hoarding,
- a commitment to no burning on site,
- the provision of wheel washing facilities and other works required to mitigate the impact of construction upon the public highway (including the provision of temporary Traffic Regulation Orders),
- details of public engagement both prior to and during construction works.
- methods to control dust from the site

The development hereby permitted shall be carried out in full accordance with the noise mitigation recommendations set out in the applicants Environmental Noise Impact Assessment Reference SA-5751, and all works which form part of the noise mitigation scheme shall be completed before the permitted dwellings are occupied.
